Description

Choose the type of light you need by selecting your ideal color temperature during the installation of this LED suspension light fixture. This selectable fixture features a switch that can adjust the color temperatures of the light the fixture emits.

Designed to make a statement, this minimalistic linear LED connects with other 3 ft., 4 ft., or 5 ft. linear pendants using a line joiner to create a continuous run of light. Its deep regressed lens evenly distributes glare-free light that is easy on the eyes for longer day-to-day use.

Replace existing fluorescent strip fixtures with this more efficient color selectable LED suspension light fixture to reduce energy and maintenance costs.

Product Specification	
Mode	IL-LED015-Up/Down
CCT	3000K, 4000K, 6000K
Wattages	30W, 40W
Lumens	2880lm, 3605lm
Input Voltage	100-277V
Power Factor	>0.95
Dimming	Non-Dimmable/ 0- 10V
CRI	≥ 80, ≥ 90
Finishes	White, Black, Grey, Custom
Beam angle	360°
IP	IP20
Dimensions	L: 3ft,4ft,5ft, W: 4.0" x H: 0.9"
Application	Suspended
Lifespan	50,000+ Hours
Certification	ETL Listed
Warranty	5 years
