Description

The LED Accent light brass material not only durable and not easy to damage, but also has high corrosion resistance. RGBW color changing design enable you to choose the perfect color for the right scene. The Smart Bluetooth control allows you to control remotely when you are away from the scene. The replaceable RGBW module with factory reset button for quick restoration of default settings. The brass body with IP65 suitable for harsh environments.

Product Specification	Land Scape LED
WATTAGE	10W
CCT	R/G/B/ Mixed White
CRI	>80
Lumen	260lm
INPUT VOLTAGE	12V AC / DC
Material	Die cast Brass
Mounting	Ground
Beam Angle	38°
Finish	Antique Brass
Temperature	-40°C~60°C
Warranty	5 year limited
Ratings	IP65
Certification	ETL

Certification Information

			
RGB			

Features

Lock ring design, easy to take on/off the shroud and change the RGBW module inside

- Bluetooth antenna design, 15 meters control range
- Module with factory reset button
- RGB+ Fixed 2700K/3000K
- Replaceable RGBW design
- Light source: Replaceable RGBW module
- Light Beam: 38°
- Voltage : 12V AC/DC (9-15V AC/DC)
- Construction: Die cast Brass
- The bottom of the module adopts magnetic suction design, used as both up light and down light
- IP65 & ETL listed

					
Weatherproof	Solid Brass Finish	Dimmable	Smartphone Control	Full Color (RGBW)	Swappable Lens Angles
